

Humorous Legislation

In case you were wondering about bills on which we reported last time, the following are now laws in Texas:

The cast-iron Dutch oven is now your state's official cooking implement.

After heated debate, picante sauce beat out barbecue sauce to become your state's official sauce.

The rodeo is now your state's official sport.

The guitar is now your state's official instrument.

Waxahachie is now your state's Crape Myrtle Capital.
